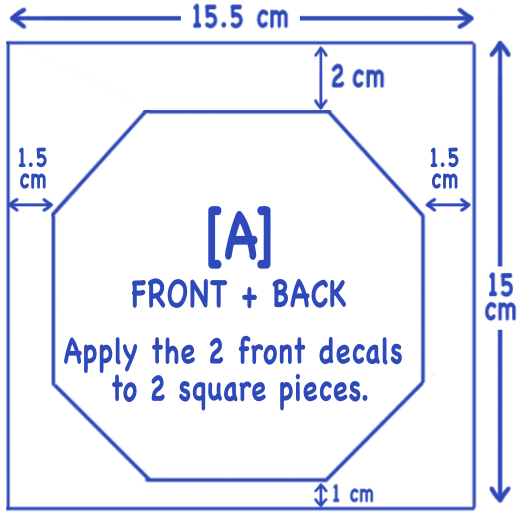
15.5 cm

ON BLACK FOAMCORE
(WORKS BEST - IF CAN ONLY FIND WHITE THAT IS OK)

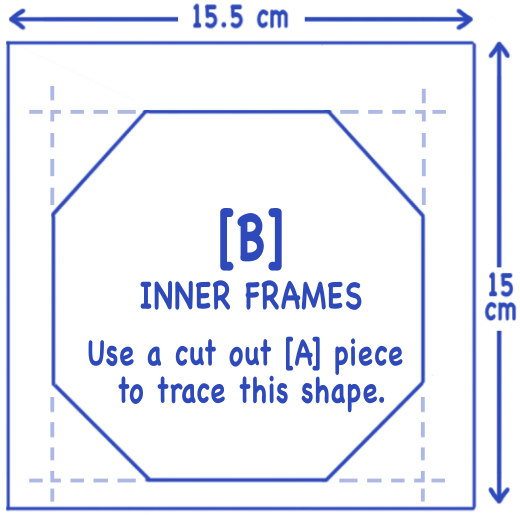
CUT 8 IDENTICAL SQUARES
Measure and mark
these dimensions with a pencil
then use your Utility Knife
to cut your base shape
which will look like this

15 cm

AFTER CUTTING
use hot glue and attach 2 pieces
until you get 4x double thick squares.



Cut out centre octogan shape
to create front and back frames.



Then extend lines with a pencil.
Cut out along the pencil guides
to create the 2 inner square frames.
